Important to Females.

DR. CHEESEMAN'S PILLS. THE combinations of ingredients in these practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have the Pills proved successful. They are certain to open those obstruc-tions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and deathly countenance changed to a healthy one. No female can en-joy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females.— Headache, pain in the side, palpitation of the hearf, loathing of food, and disturbed sleep, do most always arise from the interruption of na-ture; and whenever that is the case, the Pills

The unanimous favor which has attended the introduction of Wheeler & Wilson's Family Sewing Machine, is sufficient evidence of ill excellence. It is needless new to say that this useful instrument is becoming a domestic inst tution; the fact is recognized by its successful use in thousands of families in every rank in life. To those who have hitherto refrained from availing themselves of its advantages, it may not be amiss to say, that its utility is not a problem to be solved, but a success already relized. The highest testimony is constantly of
