bination of factions—that we represent on this occasion a party as venerable for its age as it is useful and honorable in view of the extraordinary services it has so long, so honestly and so ably performed...

of the people of all the Territories, including Kansas and Nebraska, acting through the legally and fairly expressed will of a majority of actual residents, and whenever the number of their inhabitants justifies it, to form a constitution with or without domestic slavery...

violence begins every where to master the reason, and the vicious presence of the law begins to conquer the hydra of license and anarchy. In the year 1857, a commercial and financial revolution, overwhelming as it was, sudden, and the vicious presence of the law begins to conquer the hydra of license and anarchy...

of cumulus clouds. Whenever we crossed water the heaven-it dome was as visible below his reflection as above. So remarkable was this phosphorescent light that we could see the water looking translucent, and looked like light shining through oiled paper. We could also see the reflection of the moon on the water...

The Swing as a Cure of Consumption. I wish to say a few words to whom it may concern. The use of the swing—on the gymnastic exercises—as a preventive, and cure of pulmonary disease. I mean the suspending of the body by the hands by means of a strong rope or chain fastened to a beam at one end...

Sanitary Precautions.

In the night of summer all persons are especially called upon to look around their dwellings and consider whether there is not some thing unhealthful to health that might and ought to be removed...

ORDER AMONG FARMERS.

In all classes of mankind it is easy to observe two extremes, and almost invariably see that by far the larger portion are on one side or the other of the golden mean. More especially, however, in this noticeable class...

The Great Balloon Voyage.

FROM ST. LOUIS TO NEW YORK IN ELEVEN HOURS.

Thrilling Adventures—A plunge into Lake Ontario—Descent into a Tree—A huge limb carried away—Collapse in another tree—An extraordinary Narrative.

Although it was intended to have started on this voyage on the 29th of June, we were delayed by the preparations until the 1st of July. By 6 o'clock, P. M., the airship Atlantic was fully inflated, and while we were putting her in trim with ballast and provisions, Mr. Brooks, who was to accompany us, arrived...
