Dalley's Magical Pain Extractor will cure the following among a great catalogue of dis-cases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, feve felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of in gredients, each and every one applying a perfect antidote to its opposite disorder. Dalley's Magical Pain Extractor in its effect

is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affect ed part, leaving nature as perfect as before the injury. It is searcely necessary to say that no house, workshop, or manufactory should be one moment without it. No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the
