Dalley's Magical Pain Extractor.
IN all diseases inflammation more or less present, and now it is inflammation strikes at the root of disease—hence an immediate cure. Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make a certain cure.
Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: Burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, bites, scalds, ulcers, hemorrhoids, felon, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, scald rhead, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c.
To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the same is a combination of ingredients, each and every one supplying a perfect antidote to its opposite disorder.
Dalley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and its removal, and it is an extractor, as it draws all disease out of the system, part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no moment is wasted in its use.
20 Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer.
