Dalley's Magical Pain Extractor. IN all diseases inflammation more or less predominates—now to allay inflammation strike at the root of disease—hence an immediate cure. Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make

certain cure.

Dalley's Magical Pain Extractor will cure the following among a great catalogue of discases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox

To some it may appear incredulous that so many diseases should be reached by one article such an idea will vanish when reflection points to the fact, that the salve is a combination of in gredients, each and every one applying a perfect

antidote to its opposite disorder.

Dulley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affect ed part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer. For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas, and in Carlisle, by B. J. Kieffer. Principal Depot 165 Chambers St., N. Y. Important to Females. DR. CHEESEMAN'S PILLS.

THE combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have the Pills proved successful. They are certain to open those obstruc-tions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and deathly countenance changed to a healthy one. No female can en-joy good health unless she is regular, and whenover an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so ture; and whenever that is the case, the Pills will invariably remedy all these evils. In all cases of painful menstruation, or nervous and spinal affections in the back and limbs, lowness of spirits, bysterics, &c. Nor are they less efficacious in the cure of Leucorrhoa, commonly called the "Whites." Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions which

should be read, accompany each box.

These Pills are put up in square flat boxes.-Persons residing where there are no agency established, by enclosing \$1 in a letter, prepaid, to any authorized agent, can have them sent to their respective addresses by return of mail.

It is needless now to say that this useful instrument is becoming a domestic insti-tution; the fact is recognized by its successful use in thousands of families in every runk in life. To those who have hitherto refrained from availing themselves of its advantages, it may not be amiss to say, that its ntility is not a problem to be solved, but a success already real ized. The highest testimony is constantly of fered, confirming the verdict which has given this instrument so wide and enviable a repula-
