CHA'S. OGILBY. April 14, 1859. Dalley's Magical Pain Extractor. IN all diseases inflammation more or less predominates—now to allay inflammation strike

at the root of disease-hence an immediate cure. Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make a certain cure. Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores,

felons, car ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, easles, rash, &c. measies, rasn, &c.

To some it may appear incredulous that so
many diseases should be reached by one article;
such an idea will vanish when reflection points

to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor in its effects

is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one noment without it. No Pain Extractor is genuine unless the box

has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer. For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas, and in Carlisle, by B. J. Kieffer. Principal Depot 165 Chambers St., N. Y. C. F. CHACE.
