JOHN REIFSNYDER.

As a memorial of his worth, we offer the set following resolutions; Resolved, That we, his follow teachers, have

vasn't made at the same time trivinit on her ?" I tily the nomination of the "National Conver tion at Chicago." This was hardly mending the matter, since Judge Jessup induced the + Exchange. The Harrisburg Union answers the above J. A. MAGEE; Esq.

A PARADE .- We had quite a handsome military parade in this place on Saturday. The companies presentiwere, the Big Spring Adamantine Guards, a fine company of troops, commanded by Capt. WOODBURN ; the Sumner Rifles, Capt. KURN; Carlisle Infantry, Capt. PARKER. The companies all looked well, and attracted considerable attention.

THE BAKER FAMILY,-It will be gratifying ramrod was shivered, and pieces of it were to the lovers of good music to learn that the briginal Baker vocalists will soon be in Car lisle, where they intend giving one or mor concerts. The Bakers have acquired a high roputation as vocalists; and we hope when by the discharge. Mr. Henry Becker, an exthey arrive in our borough, they may be encouraged by large audiences of our music appreciating citizens.

THE NEW COURT HOUSE AT HARRISBURG. The County Commissioners of Dauphin County, on Friday last, allotted the contract for the building of the new Court House to Messrs. HOLMAN & WTLT; of Harrisburg, for the sum of \$57,012 67. Jonn R. TURNER, of Carlisle, was the lowest bidder, and the Commissioners of Dauphin should explain how it happens that after they stated in their advertisemen that the lowest bidder should receive the contract, they refused to award it to him.

DISTRESSING ACCIDENT .- A most distressing accident occurred in Mechanicsburg on the 21st inst., resulting fatally to an interesting lot Jefferson had ten States; Burr, four; aughter of Mr. E. Zvo, of that place. It apnears that while the female portion of the was chosen President by the House of Reprehousehold were engaged in some domestic duty, the child, unperceived, went up stairs, and by means of a chair, succeeded in getting a votes of thirteen; General Jackson, seven; lump and matches which were on a bureau,-She lit the lamp, and it is supposed that in gotting off the chair, the flame of the lam communicated to the curtains of a bonne which she had on, and from that to the other portions of her clothing. . The first intimation of her whereabouts was given by her cries, when upon going to her she was found all ablaze. Mrs. Z. enveloped her in the folds of her dress and speedily extinguished the flames, though not without burning her hands considerably. The child lingered until the evening following, when death put an end to her suf-

forings. Gor HIS DESERTS .- On Tuesday morning,

two strange negroes arrived in Papertown " under the influence of "tangle-foot," and expressed themselves exceedingly anxious for a fight. - Finally; they entered a new building, on which workinen were engaged, and, without the least provocation, made an attack upon two men. One of the negroes, however,

was knocked down, (when he was in the act of throwing a large stone at one of the whites,) and afterwards was severely punished. The other descendant of Ham made tracks, and thus saved his bacon. Served them right,

Friday evening last, the Republicans of Har risburg held a meeting to ratify the Chicago nominations, and during the firing of a cannon on Capitol Hill, the piece (a four-pounder, through some unknown cause, was premature R. M'CARTNEY, and the Junior Cadets, Capt. Iy discharged, which resulted in blowing away the right hand and otherwise seriously injuring the body of Mr. Michael Maguire, one of the men engaged in firing the same. The

throat, but Jernigan caught the knife with one hand and Heath's arm with the other .---As it was Jernigan received a severe wound across the throat.

At this moment the boat having struck the bank, the passengers were aroused, and Chas. of his state-room, was immediately stabled by Heath, and expired. R. J. Lyle, of Nashville, opened his state-room door, and, looking out, was stabbed by Heath, dying almost instantly. The Captain being called, succeeded

in securing the knife from the murderer, and it was with great difficulty he could prevent summary vengeance from being visited upon. Constitution says-"At the late Republican Heath is about twenty-eight years of age, is State Convention in Illinois, there was a very very much deformed, and hails from Weston, excellent piece of demagoguery acted in be-Lewis county, Va. He justifies the deed by half of the Hon. Abe Lincoln. A lot of fence alleging that the parties were seeking his life, rails were actually brought in the Convention although they had never met before. The Hall, and that body were told that the Hon. murderer was taken to New Orleans, where Abe Lincoln aforesaid, with the aid of one he was delivered to the proper authorities.

THE EDITORIAL EXCURSION .- The editor of those rails. Whereupon Mr. Lincoln gave the Wheeling Intellig neer, in speaking of the the Convention a history of the rails, and of gathering there on the evening of the 3d, of his own exploit in making the rails; and it is Editorial, to take the excursion train on the accordingly now understood that Mr. L. remorning of the 4th, over the Baltimore and ceived the Chicago nomination as the fence-Ohio railroad, says :- There are editors presrail candidate for the Presidency. There has been one thing, however, overlooked, in this

ent, it seems to us, from all parts of the carth, and its exact weight 49,099 pounds. It was and we cannot observe that latitude makes carry a shell of 350 pounds, and a solid skie view of the case. Does not the fence-rail busness bring up Mr. John Shanks as a candithe animal. There are about two hundred in is 15 inches in diameter, and it is estimated in the city altogether, about one-fourth of whom that it will carry a 350 pound shell between date also? Ought he not to have the same redit as Mr. Lincoln has? We think so.

Morus .- It is very common for housekeep ers in the spring and through the summer to licious condition. About one-half of the numay their blankets and other woollen goods out ber seem to be of the "heavy" order, while the be tested by a board of army officers. where they may receive the hot sun and air, balance are subs, reporters, &c., who scem thinking, by so doing, to prevent moths from bent on having all the fun that's to be got out breeding in them, which is a common and of the excursion. The appearance of the exvery great mistake. The less such things are cursion party explodes the popular notion redisturbed and exposed, the better it is for specting the universal poverty of editors. them. It is believed, by intelligent persons, They have as good clothes as people in genetempests of the past, will again lead us to guino promoters of ocean tolegraphing, that there is a small insect flying round that de- ral, and look as if they had been well fed and posits there its eggs in such articles when out | well groomed.

> WARNING TO YOUNG LADIES WHO READ NO-VELS AND WRITE POETRY .- The Henderson in the Spring, after you have quit using and (Ky.) Reporter says :- We understand that a young lady of Uniontown, a few days since, committed suicide under rather romantic circonvenient, and lay them by in drawers, or, cumstances. Miss Catharine Adams-for, if you have none to spare for that purpose, a that was her name-formed an attachment for a young gentleman, which was not appreciated or reciprocated. She procured a gun, and placed the muzzle against her head and pullthat have not been in use for three years, ed the trigger with her toe, blowing out her safely hanging in a garret on a pole made fast brains and killing herself instantly. This unto the rafters and covered carefully over with

ing. The young lady was accomplished, and trade man, and yoted for the tariff of has written several pretty literary pieces.

misrepresentation should be instantly correct ted. Some French journals have stated that the Prince Imperial, sen of Napoleon III, ic who is a corporal among the nfans ce troups in the first regiment of the Grenadiers of the Guard, having shown great inspertinence to his mother, the Empress, has been degraded from his rank of corporal, in presence of a body of soldiers. Be it remembered that the boy is four years old. The Paris Constitutionnel has the following :

"We should not have said a word of this ridiculous fable if the provincial journals had not repeated the tale, and if it did not denote under a frivolous aspect a sentiment of hostil under a frivolous aspect a sentiment of hostillär ity, tending to imply that the Prince Imperior al, notwithstanding his tender years, has a character of so obstinate a nature that, in or der to correct him, recourse must be had the extreme measures. This absurd story is so far from the truth, that we have heen often tompted to mention a number of, truits whi is show as good a heart and such kind feeling in the Prince, were it not that we feared is for ing reproached with flattery and exagers 375 tion."
