The only Preparation

During the year 1854, I was so unfortunate as to be thrown from my sulfry against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed ever the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resert to your worthy Hair Restorative, which I have

esort to your worthy Hair Restorative, which I have resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result. Two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquiries; moreover, I shall use my influence, which I flatter myself to say, is not a little. You can publish this if you think proper.

Yours, very respectfully, M. J. WRIGHT, M. D. Office of the Jossessian,
Philippi, Va., Dec. 12th, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, so state to you the following circumstance, which you can use as you think proper. A gontleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of Office of the Joffersonian. quest of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining ounties if you have the proper agents.

Yours, &c. THOMPSON SURGHNOR. Dr. Woon: Dear Sir: Permit me to express the obligations I am under for the outre restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becominggray, but upon the application of your "Hair Restorative" it soon recovered its original hue.
