prevented from reporting in favor, not of steam carriages, but of a straight jacket for himself. Now, almost all nations have had the sagacity and ingenuity to seize and utilize the precious idea.

When Peter the Great, in 1760, or thereand the Don, the Governors and Poyards of the country opposed it earnestly, thinking it implety to turn rivers out of the channels which Heaven had assigned them.

for his pains."

the river Manzaranes navigable to the Tagus, and that to Lisbon, the Council said if it had been the will of God that the rivers should be

navigable, he would have made them so. When Brinley, the great engineer, told a committee of the Parliament, to whom Bridgewater's petition was referred, that canals were better than rivers, and would supercede them for the purpose of navigation, the committee were shocked, and asked him, "And pray, shy, what were rivers made for?" "To feed

the canals," was the answer. Dr. Franklin surveyed the route of the Delaware and Chesapeak Canal at his own ex-

pense; in 1757. Baron Napier surveyed the route of the Forth and Clyde Canal at his own expense,

in 1761. Both of these works were subsequently ac-

complished, but after great delay. Dr. Zabdiel Boyalstan introduced inocula tion for the small-pox into Boston in 1721, and tried it first on his own son Thomas, and othe members of the family; but such was the force of prejudice and unbelief that the other Physicians gave a unanimous opinion against it, the municipal government prohibited its practice; and the populace would have torn himsto pieces if. he had not retired from the eity. WHEELING INTO LINE.—At a meeting of the Douglas Democratic Club of Wilkes-Barre, on Saturday evening last, the following reso-lution was passed: physicians gave a unanimous opinion against

lution was passed :

Resolved, That the Douglas Democratic Club of the borough of Wilkes-Barre approve the action of the State Central Committee at Oreson, on the 9th inst; and accept the proposed plan of presenting but a single electoral ticket, s the one best fitted to secure the vote of Pennsylvania for Stephen A. Douglas and Herschel V. Johnson, regular nominees of the Democracy, and to place our noble old Common wealth where she belongs, in the front rank of States which spurn all sectionalism as a curse, and all disunionists as traitors.

In response to this resolution and the action of the State Central Committee, the Luzerne Union, until now a srong and violent supporter of the Forney wing, hauls down the flag of disorganization, in the following language:

"We do not know but that under the circumstances, it is our duty to accept this as the

cumstances, it is our duty to accept this is the plin, most likely to preserve our organization and save the country from the withering curse of a reign of Abolitionism. If the ticket be elected, we are entirely willing to take the vote of the party as instruct-iona to the electors, and abide the result, for we have no doubt that Mr. DougLAS will receive nine out of ten of the Democratic votes of the State.

From Cincinnati we learn by telegraph that Friday night about eight o'clock, Chas. B. Brown, United States Commissioner, was that Friday night about eight o cock, Chus. B. Brown, United States Commissioner, was shot dead by George J. Caldwell, of the firm of Alfred Wood & Co. For soveral months in regard to the adjustment of a legal claim. Brown called at Galdwell's house that night and forced his way into Caldwell's private ohamber. A scuffle ensued, when Caldwell's private shot Brown through the body. He inself to the authori-diately surrendered himself to the authori-ties.
