Having Proofs so Strong and Direct as to Expel the Doubts of all.

FOR Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their annualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the fol-Oak Grove, S. C. June 24th, 1859.

PROF. O. J. Wood: Dear Sir:-Your Hair Resto rative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow, revising a treat deal of irritation, which rible blow, coarsing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head From the time I first discovered its dropping, how-ever, up to the time of its total disappearance, I em-ployed everything I could think of, being a profes-sional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in

every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result. Two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your re-mody to all inquiries; moreover, I shall use my in-fluence, which I flatter myself to say, is not a little. You can publish this if you think proper.

Yours, very respectfully, M. J. WRIGHT, M. D.

Office of the Jeffersonian,
Philippi, Va., Dec. 12th, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, so state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much: and after using some two or three bottles his much: and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name Exadford, and as he is very well known in our adis actional, and as he is very well known in our acjoining counties; many persons can testify to the
truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of
your Hair Restorative in this and the adjoining
counties if you have the proper agents.

Yours, &c.

THOMPSON SURGHNOR.

Dit. Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray; but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful inven-tion, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three s zes, viz: large, medium, and small; the small holds is a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars per bottle.
