Keep it before the People.

The people of Pennsylvania—Union-loving people of the old Keystone State—we desire to keep before you the sentiments of the Black Republican party—the sentiments which will govern the Administration, should Abraham Lincoln be elected President of United States. Hear what Wm. H. Seward said in a speech delivered by him at Boston, only a few days ago:

"What a commentary upon the wisdom of man is given in this single fact, *that fifteen years only after the death of John Quincy Adams, the people of the United States, who hurled him from power and from place, are calling to the head of the nation, to the very seat from which he was expelled, Abraham Lincoln*—[enthusiastic cheers]—*whose claim to that seat is that he confesses the obligations of that higher law*—[applause]—*which the Sage of Quincy proclaimed, and that he avows himself, for weal or woe, for life or death, a soldier in the side of freedom in the irrepressible conflict between freedom and slavery.* [Prolonged cheering.] *I tell you, fellow-citizens, that with this victory comes the end of the power of slavery in the United States.* [cheers.]"

Says the Cincinnati *Enquirer*:

"This is unmitigated Abolitionism—an Abolitionism that contemns and repudiates the Constitution of the United States, and is governed by a higher law than that instrument. Seward vouches for Lincoln. He knows him, and declares that his election will estroy slavery and precipitate upon the country *four millions of free negroes.*"

A Word to the Germans.

Beside the bought Germans who are in the direct pay of the Black Republicans, few Germans will vote that ticket, in spite of the honied eloquence of Schurz, or the gull-trap known as the 14th plank in the Chicago platform.—Every intelligent German knows that in Massachusetts the Black Republican Legislature extended the period of naturalization two years, and at the same time conferred the *right of suffrage on all negroes!* At the same time they disbanded all the German companies in Boston, and took the State arms from them, and at the very next session of their Legislature they passed a law *granting arms to Negro* companies of military! By this act they proclaimed to the world that they *esteem a Negro more than they do a Foreigner!* What else will you make out of conduct like this? The action of Massachusetts so incensed the Germans in the west, that Carl Schurz went on to Boston to stay proceedings, but they laughed at him for his pains! And yet, like a kicked spaniel he crawls in the dust to lick the hands of those who struck such a blow against his countrymen. To the great credit of the Germans be it said, there are few but what treasure this act of Black Republicanism, and there are few but what know that Curtin, in spite of the countenance which he now gives this 14th plank, was, but a few years ago, one of the leading Know-Nothings in the State.—We have faith in the integrity and intelligence of the Germans of Pennsylvania, and we cannot for one moment believe that more than a handful of renegades, will basely turn upon the party which stood by them in the hour of need.—*Pennsylvania Statesman.*

☞ A few of the real crazy Abolitionists, met at Syracuse, a few weeks ago, and nominated Gerrit Smith, (who was in the lunatic asylum last year) for President and Samuel McFarland, of Pa., for Vice President. The movement however does not amount to anything. The Abolitionists generally are well satisfied with Abe Lincoln and will continue to support him.

NOTICE IS HEREBY GIVEN.

"That every person excepting Justices of the Peace, who shall hold any office or appointment of profit or trust under the United States, or of this State, or a City or Incorporated District, whether a commissioned officer or otherwise, who is or shall be employed under the Legislative, Executive or Judiciary Department of this State, or of the United States, or of any Incorporated District, and also, that every member of Congress, and of the State Legislature, and of the Select or Common Council of any City, or Commissioner of any Incorporated District, is by law incapable of holding or exercising at the time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Judge, Inspector or other officer of such election shall be eligible to be then voted for."

And the said Act of Assembly, entitled "An Act relative to elections of this Commonwealth," passed July 3, 1839, further provides, as follows, to wit:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the District to which they respectively belong, before 9 o'clock on the morning of the 2d Tuesday of October, and each of said Inspectors shall appoint one Clerk, who shall be a qualified voter of such District.

"In case the person who shall have received the second highest number of votes for Inspector, shall not attend on the day of election, then the person who shall have received the second highest number of votes for Judge at the next preceding election, shall act as Inspector in his place. And in case the person who has received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place, and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such officer shall have been elected, present at the time of election, shall elect one of their number to fill the vacancy."

Particular attention is directed to the Act of Assembly, passed the 27th day of February, 1839, entitled "An Act relative to voting at Elections in the counties of Adams, Dauphin, York, Lancaster, Franklin, Cumberland, Bradford, Centre, Green, and Erie," viz:

"Sec. 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same—that it shall be lawful for the qualified voters of the counties of Adams, Dauphin, Lancaster, York, Franklin, Cumberland, Bedford, Centre, Green, and Erie, from and after the passage of this Act, to vote for all candidates for the various offices to be filled at any election on one slip or ticket: Provided, the office for which every candidate is voted for, shall be designated as required by the existing laws of the Commonwealth.

"Sec. 2. That any fraud committed by any person voting in the manner above prescribed, shall be punished as similar frauds are directed to be punished by the existing laws of the Commonwealth."

For the information of the electors of Cumberland county, I publish the following, being the 4th section of the Act of the General Assembly of the session of 1851, entitled "An Act to provide for the Election of Judges of the several Courts of this Commonwealth, and to regulate certain Judicial Districts."

"Sec. 4. That the election for Judges shall be held and conducted in the several election districts in the same manner in all respects as elections for Representatives are or shall be conducted, and by the same Judges, Inspectors, and officers, and the provisions of the Act of the General Assembly, entitled 'An Act relating to the elections of this Commonwealth,' approved the 2d day of July, 1839, and its several supplements, and all other like laws, as far as the same shall be in force and applicable, shall be deemed and taken to the election of Judges: Provided, That the aforesaid electors shall vote for Judges of the Supreme Court on a separate piece of paper, and for all other Judges required to be learned in the law on another separate piece of paper.

"It shall be the duty of the several Assessors, respectively, to attend at the place of holding every General, Special or Township election, during the whole time said election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors, or either of them shall from time to time require.

"No person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in the State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State and county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months: Provided, That the white freemen, citizens of the United States, between the ages of 21 and 22 years, and having resided in this State one year, and in the election district ten days, as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners, unless, First, he produces a receipt for the payment, within two years, of a State or county tax assessed agreeably to the Constitution, and give satisfactory evidence either on his own oath or affirmation, or on the oath or affirmation of another that he has paid such a tax, or in failure to produce a receipt, shall make oath to the payment thereof: Or, Second, if he claim a right to vote by being an elector between the ages of 21 and 22 years, shall repose on oath or affirmation that he has resided in the State at least one year next before his application, and make such proof of residence in the District as is required by this Act, and that he does verily believe from the accounts given him that he is of the age aforesaid, and give such other evidence as is required by this Act; whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list, by the Inspectors, and a note made opposite thereto by writing the word 'tax,' if he shall be admitted to vote by reason of having paid tax, or the word 'age' if he shall be admitted to vote by reason of age, and in either case the reason of such vote shall be called out to the Clerks, who shall make the like note in the list of voters kept by him.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners or assessors, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the Inspectors to examine such person on oath as to his qualifications, and if he claims to have resided in the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days next immediately preceding such election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is within the district, and that he did not remove in the said district for the purpose of voting therein.

"Every person qualified as aforesaid, and who shall make due proof, if required, of his residence and payment of taxes, as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent an officer of the election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, shall block or attempt to block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace of said election, or shall use or practice any intimidation, threats, force or violence with the design to influence unduly or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding five hundred dollars, and to be imprisoned for a time not less than one or more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or township where the said offence was committed, and not entitled to vote therein, then, on the conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and to be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of any election within this commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereto, or by any written or printed advertisement, challenge or invite any person or persons to make such bet or wager, upon conviction thereof, he or they shall forfeit and pay three times the amount so offered to the bet.

"If any person not by law qualified, shall fraudulently vote at an election in this commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification, shall aid or procure such person to vote, the person, on conviction, shall be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not exceeding three months.

"If any person shall vote at more than one election district, or otherwise fraudulently vote more than once on the same day, or shall fraudulently fold and deliver to the Inspector two tickets together, with the intent illegally to vote, or advise and procure another so to do, he or they shall, on conviction be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned not less than three nor more than twelve months.

"If any person not qualified to vote in this commonwealth agreeably to law, (except the sons of qualified citizens) shall appear at any place of election for the purpose of issuing tickets or of influencing the citizens qualified to vote, he shall, on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and to be imprisoned for any term not exceeding twelve months."

Agreeably to the provisions of the sixty first section of said act, "Every General and Special Election shall be opened between the hours of eight and ten in the forenoon, and shall continue until seven o'clock in the evening, when the polls shall be closed."

Pursuant to the provisions contained in the 76th section of the act first aforesaid, the judges of the aforesaid district shall respectively take charge of the certificate of return of the election of their respective districts, and produce them at a meeting of one judge from each district at the Borough of Carlisle, on the third day after the day of the election, being for the present year ON FRIDAY, THE 12th DAY OF OCTOBER NEXT, then and there to do and perform the duties required by law of said judges.

Also, that where a judge by sickness or unavoidable accident is unable to attend such meeting of judges, then the certificate of return aforesaid shall be taken charge of by one of the Inspectors or Clerks of the election of said district, who shall do and perform the duties required of said judges unable to attend.

Given under my hand and seal at Carlisle, this 13th day of September, 1860.
