PROF. O. J. Wood? Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay projudice aside, and give your Hair Restorative a porfect test:
During the your 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow consing a great deal of irritation, which rible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my bair was fithe head, from the effects of which my hair was finally destroyed over the entire surface of the head.

From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding
the nature of the disease, but was finally defeated in
every prescription advanced.

These and no other circumstances induced me to

and no other circumstances induced me to cesort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result. Two months after the first application, I had beautiful a head of young hair as I ever saw, for which Recreasiny owe you my most sincere thauks. Rest assured, dear sir, I shall recommend your re-medy to all, inquiries; moreover, I shall use my ine, which I flatter myself to say, is not a little. You can publish this if you think proper.

Dear Sir:—I feel it my duty as well as my pleasure, so state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much: and after using some two or three bottles his much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our ad-Bradford, and as he is very wen known in our ac-joining counties, many persons can testify to the truth of this statement; I give it to you at the re-quest of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining

counties if you have the proper agents.

Dr. Woon: Dear Sir: Permit me to express th Dr. WOOD: Dear Sir: Fermin ne to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue.
