I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test: During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most ter-ville blog; causing a great deal of irritation which rible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head.

The gentleman's name is Bradford, and as he is very well known in our adjoining counties. many persons can be stiff to the joining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.
