Prov. O. J. Wood: Doar Sir.—Your Hair Restosative is rapidly gaining popularity in this commumity. I have had occasion to lay prejudice saide,
and give your Hair Restorative a perfect test:
During the year 1854, I was so unfortunate as tobe thrown from my sulky against a rock near the
roadside, from which my head received a most tertible blor consider a rocat deal of invitions belief. rible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head From the time I first discovered its dropping, how ever, up to the time of its total disappearance, I em-ployed everything I could think of, being a profes

sional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy re-sult. Two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquiries; moreover, I shall use my influence, which I flatter myself to say, is not a little. publish this if you think proper

Yours, very respectfully,
M. J. WRIGHT, M. D. Office of the Jeffersonian,
Philippi, Va., Dec. 12th, 1858.

Dear Sir:—I feel it my duty as well as my pleature, so state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.

Yours, &c. THOMPSON SURGHNOR. Dr. Wood: Dear Sir: Permit me to express the ebligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Res-torative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three sises, viz: large, medium, and small; the small holds
a pint, and rotails for one dollar per bottle; the
medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per
bottle; the large holds a quart, 40 per cent. more in
proportion, and retails for three dollars per bottle.
