Prof. Woon: Thee wilt please accept a line to inform thee that the hair on my head all fell off over twonty years ago, caused by a complicated chronic disease, attended with an oruption on the head. A continual course of suffering through life having reduced me to a state of dependence. I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the 18 to f August last. I
