The Chicago Times has the following particulars of the rescue of a fugitive slave in rm and equip Georgia is a complete law. that city on Monday night, from the Deputy of United States Marshal, already mentioned by telegraph;

The arrest was the signal for the rising of the republicans and their negro allies to rescue the fugitive, Scarcely had the marshal left the house in question with his prisoner, than he was surrounded by a mob of negroes and whites, furiously clamoring for the liberation of the slave and for vengeance upon the 'kidnappers." "Can't take no collo'd pusson out dis yer town—dat you can't," exclaimed one bloodthirsty looking darkey, and "no indeed, that you can't!" was the significant response of a well known supporter of Old Abe, who expects to be a deputy under the next United States marshal for this district. "What whar's de Mayor gone ?" cried another darkey, rushing through the crowd in breathless excitement; "I's been to his office and can't fine him." "Let's take the woman away!" "Down with the kidnapper"—"kill the d—d scoundrels!" and other expressions of similarly amiable tone were heard from the lips of the white republicans in the crowd.

The deputy who made the arrest appeared to be a man of great resolution, and showed no disposition to let the rescuers take the prisoner away from him. But the latter manifested an equal determination to have the negro at any and all hazards. The crowd every noment increased, until two or three thousand and the owner of the slave. They were in the vicinity of the armory, and the policeman hearing the noise, came running to the spot. The republicans immediately called upon the police to arrest the 'kidnappers." A rush was made for them; they were arrested, and together with the fugitive negro, were locked up in the calaboose. The latter is no doubt this morning far on her way towards Canada,

Anderson, Republican Deputy Sheriff was
deputed to execute the warrant. The police were sent away from the armory on a pre-tended errand to another part of the city. Anderson appeared at the armory with the warrant. The negro was at once let out and was taken by the mob, amidst the most demon-like yells, the firing of pistols, etc. The warrant issued by Justice D' Wol was ef course a mere pretext to get the negro cut of the lock up by a show of legality. The Republicans did not like to pull down the building so soon after the election of Old Abe. But their proceedings last night furnish the first practical commentary upon the result of the late election. It is the be ginning of the end.

THANKSGIVING DAY IN PENNSYLVANIA.

PENNSYLVANIA, 88: In the name and by the authority of the Com-monwealth of Pennsylvania, William F. PACKER, Governor of the said Common

wealth: A PROCLAMATION.

Fellow-Citizens :- The revolutions of the ear have again brought us to our annual fes tival of Thanksgiving to Almighty God. In no preceding year have we had more abundant cause for gratitude and praise. The revolving seasons have brought with them health and plenty. The summer fruits and the autumn harvests have been gathered and garnered in unwonted exuberance. A healthy activity has pervaded all the departments of life; and rovident industry has met with a generous reward. The increase of material wealth has been liberally employed in sustaining our Educational and Religious Institutions; and both are making the most gratifying progress in enlightening and purifying the public mind. While, in Europe, contral and absolute governments, by their pressure on personal rights and liberty, are producing excitements, which in the producing excitements, which is the producing excitements, which is the producing excitements, which is the producing excitements and interest of Newville, dee'd. threaten to upheave the very foundations of society, and have led, in some instances, to bloody and cruel wars, we, in the enjoyment of constitutional liberty, and under the pro-tection of just and equal laws, are peacefully pursuing the avocations of life, and engaging whatever promises to advance our social and individual improvement and happiness.—
"The lines are," indeed, "fallen to us in plea sant places, and we have a goodly heritage.

persons surrounded the prisoner, the marshal In all this we see the orderings of a kind and merciful Providence, which call not only for our recognition, but for our public Thanksgiving and Praise.

Under this conviction, I, WILLIAM F. PACKER, Governor of the Commonwealth of ennsylvania, do hereby appoint THURSDAY, THE TWENTY-NINTH DAY

OF NOVEMBER NEXT, To be observed as a day of public Thanksgiv-Ing and Prayer, and recommend to all our people, that setting aside, on that day, all worldly pursuits, they assemble in their replaces of worship, and unite in offerng thanks to God for his manifold goodness, ind imploring his forgiveness and the contin nance of his mercies.

Given under my Hand and the Great Scal of the State, at Harrisburg, this twenty-fourth day of October, in the year of ur Lord, one thousand eight hundred and sixty, and of the Commonwealth the eighty-fifth. WM. F. PACKER.

# CARLISLE FOUNDRY,

AND Farming Implement Depot. F. GARDNER & CO. now manufacture and keep constantly FOR SALE; at their extensive Steam Works on East Main'st, Carlisle, a large adsortment of Agricultural Implements, o well known and approved usefulness to Farmers among which they would call especial attention to

WILLOUGHBY'S CELEBRATED Patent Gum Spring Grain Drill. which has taken over fifty first class premiums at State and County Fairs. To the farmers of Cumberland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most complete grain drill now manufactured in the United States. It sows Wheat, Rye, Oats, Barley and Grass, evenly and regular, without bunching the seed. The gum springs pass the drill over rumps and atones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to farmers as reliable implements of established characters.

character: Morrison's Patent Corn Planter,

Morrison's Patent Corn Planter,
