AND testimonials, new, and almost without number, might be given from ladies and gentlemen from all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and pre-serve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21, 1858.

Prov. Woon: Thee wilt please accept a line to inform thee that the hair on my head all fell of over twenty years ago, caused by a complicated chronic discase, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither lave I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dellar bottle of thy cent I had on earth for a two dollar bottle of thy Hair Restorative about the 1st of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle will restore it entirely and permanently. I feel anxious to preserve in its use, that heigh destitute of means to persevere in its use, and being destitute of means to purchase any more, I would ask theo if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the Scripture declaration—"the reward is to those that are kind to

the widow and the fatherless."

Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be sufprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the chattge in my appearance, as my the cause of the charge in my appearance, as my more intimate acquaintances were to recognize me I at once made application to the most skilful

I at office ffinds application to the most skilful physicians in the country, but, receiving no assurance from them that fly hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the intest reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time I have used seven dellars' worth of your Restorative, and as a result, have a rich coat of soft black hair which no money can buy.
