fully, your obedient servants. R. W. BARNWELL,

to receive it.

Commissioners. T H. ADAMS, JAMES L. ORR

To his Excellency the President of the Uni A States.

The following is the endorsment upon th anti EXECUTIVE MANSION, 31 o'clock, Wedne day. This paper, just presented to the Presi-dent, is of such a character that he declines

## THE NATIONAL CRISIS.

### PRESIDENT'S MESSAGE.

To the Senate and House of Representatives: effect of tranquilizing the country and saving commencement of the troubles. This public High Words Between Licut. Gen. Scott and Sen it from the perils in which it had been need property has long been left without garrisons ator Toombs-Arrival of Lieut. Talbott, Bea and troops for its protection, because no perons and recommendations I do not pro- son doubled its security under the flag of the pose now to repeat. My own convictions upon | country in all the States of the Union. Bewhole subject remain unchanged. The sides, our small army has scarcely been suffact that a great calamity was impending over ficient to guard our remote frontiers against the nation was even at that time acknowledg- Indian incursions. The seizure of this proped by every intelligent citizen. It had already erty, from all appearances, has been purel aggressive, and not in resistance to any at made itself felt throughout the length and breadth of the land. tempt to coerce a State or States to remain

The necessary consequences of the alarm thus produced were most deplorable. The imthe Union. At the beginning of these unhappy trouble ports fell off with a rapidity never known be- I determined that no act of mine should infore, except in time of war, in the history of crease the excitement in either section of the our foreign commerce. The Treasury was un-expectedly loft without the means which it in civil war, it was my determined purpose had reasonably counted upon to meet its pubnot to commence it, nor even to furnish an excuse for it by any act of this Government lie engagements, trade was paralyzed, manufactures were stopped, the best public securi-tics suddenly sunk in the market, every spe-cies of property depreciated more or less, and My opinion remains unchanged, that justic as well as sound policy requires us still to seek a peaceful solution of the questions at thousands of noor men, who depended on their issue between the North and South. Enterdaily labor for their daily bread, were turned | taining this conviction, I refrained even from out of employment. I deeply regret that I am not able to give you any information upon sending reinforcements to Major Anderson, who commanded the forts in Charleston har the state of the Union which is more satisfac bor, until an absolute necessity for doing so tory than what I was then obliged to commu hould make itself apparent, least it might nicate. On the contrary, matters are still unjustly be regarded as a menace of military worse at the present time than they were .coercion, and thus furnish, if not a provoca When Congress met, a strong hope pervaded the whole public mind that some amicable ad-justment of the subject would be speedily tion, at least a pretext for an outbreak on the part of South Carolina. No necessity for these einforcements seemed to exist. I was assured by distinguished and up-right gentlemen from South Carolina, that no made by the representatives of the States and of the people, which might restore peace be tween the conflicting sections of the country. attack on Major Anderson was intended, bu

That hope has been diminished by every that, on the contrary, it was the desire of the hour of delay, and as the prospect of a blood State authorities, as much as it was my own, less settlement fades away, the public distress to avoid the fatal consequences which must State authorities, as much as it was my own, omes more and more aggravated. As an inevitably follow a military collision. And

In further explanation of Major Anderson's removal from Fort Moultrie to Fort Sumpter,

it is proper to state that after my answer to
