MESSENGERS FROM CHARLESTON .--- Colonel Mayne and Mr. Gourdin, who have been sent to Washington by Gov. Pickens, and Lieut. Hall, bearer of despatches to the government form Major Anderson, arrived at three o'clock on Monday. The latter gentleman proceeded to lay his despatches before the government. The first conference with his Southern friends here, he somewhat changed his original in-

here, he somewhat changed his original in-tention and purpose, and instead of making an unconditional demand for the surrendor and evacuation of Fort Sumter, he now presents it in the shape of a suggestion. He therefore suggests to the President the propri-ty of the surrender, in order to avoid blood-

It is known, however, that the President It is known, however, that the formation of the second sec derson to act entirely on the defensive, but to derson to act entirely on the detensive, but to defend Fort Sumter against any attack to the last extremity. Colonel Hayne asserts that if the fort is not given up occans of blood will flow. That the South Carolinians will attempt its recapture is considered certain.

Colonol Hayne has already become satisfied that the government will not yield one iota, and has undoubtedly informed Governor Pickens to that effect.

The firmness of the administration in dealing with the sccession messenger has caused the prominent secessionists in Washington to join in advising the authorities of Charleston to suspend the execution of their threat to take Fort Sumtert until after the 4th of

NOMINATION OF MR. HOLT AS SECRETARY OF WAR.-In executive session of the Senate on Thursday, the nomination of Mr. Holt as Secretary of War was received from the President, and a lively contest arose between the secessionists and their opposents on the question of referring it to a committee. In this the opponents of Mr. Holt were defeated, and the nomination will probably be confirmed.

COMPROMISE PROPOSITIONS .- It is now pro posed in compromise circles to offer a bill in Congress authorizing four Northern and four Congress authorizing four Northern and four Southern States lying contiguous to send an equal number of delegates, non-members of Congress, to a convention to meet here to de-vise compromise measures for accentance by Vise compromise measures for acceptance by the country. F. GARDNER & CO. now manufacture and keep constantly FOR SALE, at their extensive Steam Works on East Main st., Carliele, a large assortment of Agricultural Implements, our lies, well known and approved usefulness to Farmers, among which they would call especial stiontion to

Patent Gum Spring Grain Drill; Patent Gum Spring Grain Drill; which has taken over fifty first class premiums at State and County Fairs. To the farmers of Cam-berland, York and Perry counties we need not spoak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most vomplete grain drill now manufactured in the United States. It sows Wheat, Rye, Oats, Barley and Grass, evenly and régular, without bunching the seed. The gum springs pass the drill over stumps and stones, with-out breaking pins or the drill. For even and regu-lar sowing, the Willoughby Gum Spring Drill is un-equalled by any other. We also manufacture and sell the following articles, which we can recommend to farmérs as reliable implements of established character Papier Macho Goods, elegant alabaster inkstands and trays, fancy ivory, pearl and shell card casos, ladies' Funcy Baskets, funcy Work Boxes, with sow-ing instruments, Port Monnies, of overy variety, told Pons, and Penells, fancy paper weights, pape-teries, and a large variety of ladies' funcy statione-ry.
