As a Family Physic. (From Dr. E. W. Cartwright, New Orleans.) Your Pills are the prince of purges. Their ex-cellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. (From Dr. Edward Boyd, Baltimore.) DEAR BRO. ATER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a pargative modicinc. I place great dependence on an effectual cathartie in my dully contest with disease, and be-lieving as I do that your Pills afford us the best we have, I of course value them highly.

Риттявино, Ра., Мау 1, 1855. Dr. J. C. Ayra. Sir: I have been repeatedly eured of the worst headache my body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clario.

Bilious Disorders-Liver Complaints. (From Dr. Theodore Bell, of New York City. (From Dr. Theodore Bell, of New York City.)
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. Dysentery, Diarrham, Relax, Worms. (From Dr. J. G. Green, of Chicago.) Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dyscutery and diar-rhoa. Their sugar-coating makes them very accep-

eal practitioners who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can of digestion and purify the blood, they are the very beef found in the United States, acquainted with their medical properties, will not highly approve on. Note: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have over known, and I can confidently recommend them to my friends.

Too much cannot be said of your Pills for the cure of costineness. If other of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse.
