MOUNT JOY ACADEMY .--- This institution. eituated in the Leantiful village of Mount Joy. Lancaster county, offers rare inducements to parents or guardians having boys to educate. Mr. Moone, the Principal, is a ripe scholar, who has had some twenty years experience as an instructor of youth. He has been emii.ently successful in his profession, owing, we presume, to his close diligence, and his de_ termination to make scholars of those entrusted to his care. See advertisement of this prosperous institution in to-day's paper.

The fire was soon extinguished, and but little dumage done.
