DR. J. BOVEE DODS Imperial wine Bitters. Are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boyce Dods' Celebrated Imperial Wine

Bitters, had them tested by two distinguished medi-eal practitioners who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a we do not believe that a respectable Physician can be found in the United States acquainted with their medical properties, will not highly approve DR. J. BOYER DODS IMPERIAL WING BITTERS. In all newly sottled places; where there is always a large quantity of decaying timber from which a poisonous miasma is created, those bitters should be used overy morning before breakfast.

DR. J. BOVEE DODS' Imperial Wine Bitters. Are composed of a pure and modulterated Wine combined with Barberry. Solomon's Seal; Comfrey. Wild Cherry: Free Bark. Spiketiard. Chamonil Flowers; and Gentian. They are in mainteture by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quark nostrons which flood the country, and against which the Medical Profession was rejustly prejudiced. are so justly prejudiced.

These truly valuable Bitters have been so thoroubly tested by all classes of the community for almost every variety of disease incident to the human

system, that they are now deemed undispensable as tonic, medicine and a bever 170.

CATKARTIC PILLS.

In the month of December, 1858, the undersigned for the first time offered tor sale to the public Day. Boyes Dons' Informat. Wine Bitters and in this short period they have given such universal satisfaction to the many thousands of persons who have tried thefu that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be bad; for diseases of the body must invariably effect the mind. The subscribers now only ask a trial of the surprisers now only ask a trial of the subscribers ploy them when suffering frem the disorders they

Dr. Aven: Your Pills are the naregon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hards and feet that had proved incurable for years. Her mether has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also thiell your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. (From Dr. E. W. Cartwright, New Orleans.) Your Pills are the prince of purges. Their ex-cellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their nation on the bowels, which makes them in-valuable to us in the daily treatment of disease.

These Bittors not only cune, but prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Feverare prevalent. Being entirely innocent and harmless, they may be given freely to children infants with impunity.

Physicians, elergymen, and temperance advocates as an act of humanity, should assist in spreading these trilly valuable arraers over the land, and thereby essentially aid in banishing Drankenness and Disease.

DEPARTMENT OF THE INTERIOR, Washington, D. C. 7th Feb., 1856. 
SIR: I have used your Fills in my general and hospital practice ever since you made them, and annot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that firgan. Indeed, I have seldom found a case of bilious discoses so obstinate that it did not readily yield to them.

Fraternally yours. ALONZO BALL, M. De.

Physician of the Marine Harpital

Dysentery, Diarrhoa, Relax, Worms. (From Dr. J. G. Green, of Chicago.) Your Pills have had a long trial in my practice, and I hold them not steem as one of the best sperients. I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilions dysentery and diarrheam. Their sugar-coating makes them very acceptable and convenient for the use of women and abilities.

Vaughn, Montreal, Canada.) Too much cannot be said of your Pills for the cure of costiceness. If other of our fraternity have found, them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiceness to originate in the liver, out your Pills affect that organ and cure the disease.

From Mrs. E.
