JOHNS & CROSLEY'S IMPROVED GUTTA PERCHA

The cheapest and most durable roof in use. It is Fire and Water Proof. It can be applied to new and old roofs of all kinds, steep and flut, and to sqingle roofs without removing the shingles.

The cost is only about one-third tyat of tin, and it is twice as durable. This article has been theroughly tested in New York City, and all parts of the United States, Canada, West Indies, and Central and South America, on huildings of all kinds, such as Factories, Railroad Depots, Foundries, Churches, Cars, and on Public Buildings generally, Government Buildings, &c.. by the principal Builders, Architects, and others, during the past four years, and has proved to be the CHAPEST and MOST DURABLE ROOFING in use; it is in overy respect a

This is the ONLY material manufactured in the United States which combines the very desirable properties of Elasticity and Durability, which are universally acknowledged to be possessed by Gutta Percha and India Rubber. No Heat is Required in Making Application.

The expense of applying it is trifling, as an ordina nary roof can be covered and finished in the same day. It can be applied by any one, and when finished forms a pentrectly fine Proofs surface, with an clastic body, which cannot be injured by heat, cold or storms, shrinking of roof boards, nor any external action whatever.

The publication of these plates cost

\$10,000 MORE than fashion-plates; of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made, after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS; of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others. IMITATIONS.

Boware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey.

SEWING MACHINES.

NEW YORK. This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be SIMPLICITY and PERFECTION COMBINED.

The following are the principle objections urged against Sewing Machines:

-Excessive fatigue to 4.-Incapacity to the operator. -Linbility to get out of Disagreeable noise while in operation. Expense, trouble and loss of time renairing.

The Empire. Sewing Machine is exempt from all these objections. It has a straight needle perpendicular action, makes the Lock or Shuttle Stirch, which will Neither Rip nor Ravel, and is alike on both sides; performs perfect sawing on every discription of ma-terial, from Leather to the finest Nansook Muslin. with cotten, linen or silk thread, from the coarsest to the fluest number.

Having neither CAM or Cog Wheel, and the least possible friction, it runs as smooth as glass, and is

TO THE PEOPLE

OF THE UNITED STATES! IN the month of December, 1858, the undersigned for the first time offered for sale to the public Da. J. Boyas Doph Laprana. Wiss Britana. public Dr. J. Boyne Dook Intremal. When Brrang, add in this hort period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodly and mental misery arising simply from a neglect of small complaints is surprising, and is is therefore of the utmost importance that a strict attention to the least and most triding bodly aliment should be had; for diseases of the body must invariably effect the mind. The subscribers now only ask a trial of

Those Bittenis for the cure of Warr Stomagne. General, Debility, and for Punitying and Examples the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bifters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy astion to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, is STRENGTIEN AND BRACE THE SYSTEM.
