CATHARTIC PILLS.

A RE you sick, feeble, and complaining?—
Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some toms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be avorted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settlessom where in the body, and obstructs its natural functions. These, if not redisease. A cold settlessomowhere in the body, and costructs its natural functions. These, if, not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they ours.

(From Dr. E. W. Cartwright, New Orleans.) Your Pills are the prince of purges. Their ex-cellent qualities surpass any cathurtic we possess. They are mild; but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

I believe costiceness to originate in the liver, but your Pills affect that organ and cure the disease.
