GREEN MOUNTAIN WASHING MACHINE. PATENTED JUNE 8, 1858.

THIS machine is so very simple in con-struction, and efficient and easy in operation, These periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radienl—but politics forms only one feature of their character. As organs of the most profound writer, on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

time is now at hand when no lamily should be without one.

The Propeletors have no desitancy in saying that this is the neme of Washink Machine Invention, and worth more than all others combined. It is in fact the "NE PLUS U TRA" in this line of invention. As a beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhiltarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is floored.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women those Bit-ters have given a satisfaction which no others have ever done before. Imperial Wine Bitters. Are composed of a pure and undulterated Wine, combined with Barborry, Solomon's Scal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers, and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrams which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thorounly tested by sil classes of the community for almost every variety of disease incident to the human system, that they are now deemed undispensable as a tonic, medicine and a boverage.

These Bitteris for the cure of Wear Stonachs, General Debility, and for Publityna and Branch and Debility, and for Publityna and Branch and the remains the Blood, are absolutely unsurpassed by any other romedy on earth. To be assured of this, it is only necessary to make the trial. The Wins itself is of a very superior quality, being one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness poculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, is STRENOTHEN AND BRACE THE STSTEM.
