Boston, July 3, 1860.
The undersigned, during eighteen months, has had in almost constant use in his family, Wilcox & Gibbs Sewing Machine, upon which has been made the clothes of his large family—from muslin to pilot cloth—including the clothing required for his several boys; and in no case have the seams failed, although in hard service. The machine now in use, in his family has required no repair, and is in all respects, well appointed, efficient and durable.
