# **CATHARTIC PILLS.**

Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some at of sickness is creeping upon you, and should be a worted by a timely use of the right remedy. Take Ayer's Pills, and cloanse out the disordered humors of the body into vigorous activity, purify the system from the obstructions, which make disease. A cold settles somewhere in the body, and obstructed in health again. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore to meteral action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the depays and dangerous distempers. The same pures and dangerous distempers are pure day the same means. CARLISLE FOUNDRY, Farming Implement Bepot. GARDNER & CO. now manufacture and keep constantly FOR SALE, at their extensive Steam Works on East Main st., Carlisle, a

large assortment of Agricultural Implements, o well known and approved usefulness to Farmers among which they would call especial attention to WILLOUGHBY'S CELEBRATED Patent Gum Spring Grain Drill, Patent Gum Spring Grain Drill, which has taken over fifty first class premiums at State and County Fairs. To the farmers of Cumberland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most complete grain drill now manufactured in the United Spates. It sows Wheat, Ryo, Oats, Barloy and Grass, evenly and rogular, without bunching the seed. The gum springs pass the drill over stumps and stones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other.
