AYER'S

CATHARTIC PILLS.

A RE you sick, feeble, and complaining?-A Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this coudition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of the maturely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Feb 4. 1856.) DR. AYER: Your Pills are the paragon fa h DR. AYER: Your Pills are the paragon fa h great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mether has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. (From Dr. E. W. Cartwright, New Orleans.) Your Pills are the prince of purges. Their ex <u>collect violities surpass any enthartic we possess</u>. They are mild, but very certain and elicetual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. (From Dr. Edward Boyd, Baltimore.) DEAR BRO. AYER: I cannot answer you what complaints I have eved with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855. DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,

Clerk of Steamer Clarion.

DEPARTMENT OF THE INTERIOR,

Washington, D. C. 7th Feb., 1858.

Sin: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have soldom found a case of billions disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M.-D.,

Physician of the Marine Hospital

Dysentery, Diarrhaa, Relax, Worms. (From Dr. J. G. Green, of Chicago.) Your Pills have had a long trial in my przetice, and I hold them in esteem as one of the kest aportents I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhaa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digostion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia. Dropsy, Paralysis, Fits, cic. (From Dr. J. P. Vaughn, Montreal, Canada.) Too much cannot be said of your Pills for the cure

of costiveness. If other of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multiudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease. (From Mrs. E. Stuart, Physician and Midwife, Bos-

ton.)
I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleause the stomach and expel vorms. They are so much the best physic we have that I recommend no other to my patients

HONORED SIR: I should be ungrateful for the rolief your skill has brought no if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralyic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Bultimore, Dr. Mackenzie; I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
