For 1862. THE WORLD'S FAVORITE. FOR 32 YEARS the STANDARD MAGAZINE.

Pronounced by the Press of the U. States, THE BEST

LADY'S MAGAZINE IN THE WORLD, AND THE CHEAPEST.

THE LITERATURE is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book. THE BEST LADY WRITERS

in America contribute to its pages, and we have some that write for no other magazine. THE MUSIC

is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS. All efforts to rival us in this have ceased, and we do, many more and infinitely better orgravings than are published in any other work. **GODYEY'S**

Godey's is the only work in the world that gives these indiense plates, and they are such as to have excited the wonder of publishers and the public.— The publication of these plates cost

\$10,000 MORE than fushion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited. These fushions may be relied on.
