# **CATHARTIC PILLS.**

ARE you sick, feeble, and complaining?—
Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some toms are often the prolude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors.—purify the blood, and let the fluids move on unohatracted in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewherein the body, and obstructs its natural functions. These, if not relayed, react upon themselves and the surrounding obstructs its natural functions. These, if not relieved, mact upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of those Pills, will neglect to employ them when suffering from the disorders they cure.

Patent Gum Spring Grain Drill, which has taken over fifty first class premiums at State and County Faizs. To the farmers of Cumbegland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms. In these counties, its reputation is established as the most complete grain drill now manufactured in the United States. It saws Wheat, Ryo, Oats, Barloy and Grass, evenly and regular, without bunching the seed. The gum springs pass the drill over stumps and stones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to farmers as reliable implements of established character:

Morrison's Patent Corn Planter,
Lach's Patent Straw and Fodder Cutter,
Bridendolf's Patent Corn Sheller,
