AYER'S

**CATHARTIC PILLS.** RE you sick, feeble, and complaining?-

Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some ed, and your feelings uncomfortable? These symbtoms are often the prelude to serious illness. Some at of sickness is oretping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions: These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, teke Ayer's Pills, and see how tirectly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so epparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Canced by similar obstructions and derangements of the untural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Dr. Aven: Your Pills are the paragon f a h DR. ATER: Your Pills are the paragon fa h great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mether has been long grierously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic. (From Dr. E. W. Cartwright, New Orleans.)
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess.
They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. (From Dr. Edward Boyd, Baltimore.) DEAR BRO. AYEN: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual eathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly,

PITTSBURG, Pa., Nay 1, 1855. DR. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

DEPARTMENT OF THE INTERIOR, Washington, D. C. 7th Feb., 1856.

Sin: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case is bilious discusse as obstitute that it did not readly visid to them. o obstinate that it did not readily yield to them.

Dysentery, Diarrhoa, Relax, Worms. (From Dr. J. G. Green, of Chicago.) Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Yours, J. V. HIMES. WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Pills in my practice and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM D. Constipation, Costiveness, Suppression, Rheumatism Gout, Neuralgia: Dropsy, Paralysis, Fits, etc. (From Dr. J. P. Vaughn, Montreal, Canada.) Too much cannot be said of your Pills for the cure of costiceness. If other of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, out your Pills affect that organ and cure the disease

From Mrs. E. Stuart, Physician and Midwife, Bos-I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleaner the stomach and expel worms. They are so much the best physic we have that I recommend no other to my partially.

HONORED Sire: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
