PANIC AT RICHMOND .- The Nashville Union of the 29th ult, has the following:

From a gentleman who has just come through from Richmond we learn that a capital. There is great scarcity of the necessaries of life. Provisions are at famine rices, and many of the poor are in a starying condition. The wealther rebles refuse erally to extend them ordinary charities, and cases of drandful suffering and destitution are reported, especially in the families of rebel soldiers.

Men once noted for their liberality are engaged in all sorts of dishonorable speculations. The people have no hope of defending the city against the federal troops, and look on a spe dy surrender as certain. It is the saddest and dreariest city on the globe. On all sides are witnessed want and squalid poverty, selfishness and wild debauchery.

REPUBLICAN PLUNDERING. - Mr. DAWES, Republican representative from Massachusetts recently stated on the floor of Congress that there had been more money plundered and stolen from the National Treasury since the commencement of Mr. Lincoln's Administration than was expended for all the expenses of the Government during the whole four years that M.r Buchanan was in office. This is 'no "loco foco lie," remember, but the statement of an lionest Republican representative. Of its fruth there can be no doubt, as Mr. Daves is the Chairman of the Committee to investigate the charges of corruption brought against the War and Navy depart-

GENERAL SIGEL, who h s been qu'te ill for some time in St. Louis, is so far recovered as to be able to take the field. It is reported that Ban. But although Sigel constantly exposed himself to their nim, they could not hit

A SOUND PLATFORM .- The Richmond (Ky. Messenger, the publication of which has been suspended for some time in consequence of secession rule, has been nesumed, and the editor, says it will in future be conducted on these principles: "To restore the Union, to hing the leading traitors, to pardon the people and to stand by the Constitution."

PATRIOTIC DIRT .- Gen. Wook is reported to here remarked on the first occasion of his Inspection of the army of the Potomac, that they were the dirtiest lot of men he ever saw. Gen. McCLELLAN made the following reply: "Gen. Wool, if you and your men had been where I and my men have been you would be dirty too."

PROMOTION OF GEN. W.T. SHERMAN. Br. gadier General W. T. Sherman has been nominated and confirmed a Major General of Volunteers, at the special request of Gen. HAL-LECK, for distinguished gallantry and generalship at Pittsburg.

Hon. Reverdy Johnson and Emancipa-TION .- Hon. REVERDY JOHNSON, of Baltimore, United States Senator cleet, in a recent letter states that the bill passed by Congress for the abolition of slavery in the District of Columbia, is unconstitutional.

POSTMASTER ARRESTED .- The Postmaster of South Danvers, Mass., and his son, who acted as clerk in the office have been arrested on a charge of opening letters and robbing them of money enclosed.

GREEN MOUNTAIN WASHING MACHINE. PATENTED JUNE 8, 1858.

PATENTED JUNE 8, 1858.

JUIIS machine is so very simple in construction, and efficient and casy in operation, that a boy or girl 10 or 12 years of age can perform the services of Washing with case, and do it in 1-4 the time that a grown person can without a Machine. This is a great saving to those that hire; also, to the bone and muscles of those who are compelled to endure the trials of the washing day—This Machine is a great self-labor saving Invention.

It is the universal expression of those who have used it, and they are legion, that the hitherto long and laborious work of washing day is "made quick and easy," by the use of this machine; and, the time is now at hand when no family should be without one. The Proprietors have no hesitancy in saying that this is the acme of Washing Machine Invention, and worth more than all others combined. It is in fact the "NE PLUS ULTRA" in this line

of invention. For confirmation of the above, call and examine one at the shop of J. R. WEAVER, North Hangver Street, Carlisle.
