COUNTERFEIT TREASURY NOTES .- Fifty and one hundred dollar notes, raised from one and two dollar Treasury notes, made their appearance in New York and Philadelphia on Saturday last, and will no doubt be offered here. We make a note of it to put business men on their guard.

HON. SIMON CAMERON .- This gentleman arrived at New York last Saturday, on his return from a summer excursion to Russia.

COAL OIL VERSUS GAS .- In these days of coal oil and improved lamps, the consumption of gas in some of the principal cities has materially decreased, and gas companies are Campbell, Bully Grow, Landon, Armstrong reducing the price. There set him down, my friends, Full in my sight, that I may view at leisure The bloody corpse, and count those glorious wounds How beautiful is death when carved by virtue! Who would not be that youth?' What pity 'tis That we can die but once to save our country! Why sits this sadness on your brow, my friend? I should have blushed if Cato's house had stood Secure, and flourished in a civil war."

The Game of " Spot,"

About two months ago, the hireling abolition papers of the administration published with a great flourish, that leading democrats in every locality had been "spotted."
