CLEMENT & STARK'S GREEN MOUNTAIN Washing Machine PATENTED JUNE 8, 1858.

PATENTED JUNE 8, 1839.

INIIS machine is so very simple in construction, and efficient and easy in operation, that a looy or girl 10 or 12 years of age can perform the services of Washing with ease, and do it in 1-4 the time that a grown person can without a Machine. This is a great saving to those that hire; also, to the lone and muscles of those who are compelled to endure the trials of the washing day.—This Machine is a great self-labors aving Invention. It is the universal expression of those who have used it and they are legion, that the hitherto long and laborious work of washing-day is made quick and easy, by the use of this machine; and the time is now at hand when no family should be without one.
