N the month of December, 1858, the under igned for the first time offered for sale to the public Du. J. Boyne Dons' Imperial. Wine Bittens, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a heglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably effect the mind. The of the body must invariably effect the mind. The scribers now only ask a trial of

These Bitters for the cure of WEAK STOMACHS These BITTERS for the cure of WEAK STOMACHS, GENERAL DEBILITY, and for PURITYING and ENTROHNE the BLOOD, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole ter, so they strongthen and invigorate the whole ter, so they strongthen and invigorate in whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Wenkness peculiar to Females, where a Tonic is required to STHENGTHEN AND BRACE THE SYSTEM. CLEMENT & STARK'S GREEN MOUNTAIN WASHING MACHINE PATFNTED JUNE 8, 1858.

THIS machine is so very simple in construction, and efficient and easy in operation, that a boy or girl 10 or 12 years of age can perform the services of Washing with ease, and do it in 1-4 the time that a grown person can without a Machine. This is a great saving to those that hire; ilso, to the bone and muscles of those who are con pelled to endure the trials of the washing day.

This Machine is a great self-labors aving Invention It is the universal expression of those who have used it, and they are legion, that the hitherto long and laborious work of washing-day is made quick and easy, by the use of this machine; and the time is now at hand when no family should be without one.

The Proprietors have no hesitancy in saying hat this is the name of Washing Machine Invention, and worth more than all others combined.—
It is in fact the "NE PLUS ULTRA" in this line of invention. Fer confirmation of the above, call and examine one at the shop of J. R. Weaver, north Hanover street, Carlisle.
