Boves Dons' IMPERIAL WINE BITTERS, and in this short period they have given such univer-sal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost impor-tance that a strict attention to the least and most trifling bodily ailment should be had; for diseas of the body must invariably effect the mind. The subscribers now only ask a trial of

These Bittens for the cure of Weak Stomachs, General Debility, and for Purifying and Encenise the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. A these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Fenales, where a Tonic is required to STRENGTHEN AND BRACE THE SYSTEM. No Lady, i subject to lassitude and faintness, should be withou them as they are revivifying in their action.

These Bitters not only cure, but prevent sease and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harm-
