Engagement on the Banks' Ford Road.-The Enemy Driven from their Positions.

The forenoon was mainly occupied by Gen-Mooker and his staff and his able corps com. manders in consultation and in making dis-sposition of the columns. About twelve o'clock General Sykes' Division was sent forward on the left by the banks' Ford Road, to make an attack to compel the enemy to de-

make an attack to compel the enemy to de-velope his strength on the flank. He marched promptly into position with Weed's now Watson's Regular Battery. The first gun was fired by the enemy about twelve o'clock. Heavy skirmishing com-menced, our men entering the field with much enthusiasm. The eight Pennsylvanin Cavalry skirmished in the very front for some time and sustained a galling fire from some time, and sustained a galling fire from the enemy's infantry, but behaved with great intrepidity. They charged and re-charged upon the infantry, only to be in turn driven back. General Sykes then turn driven back. General Systes turn threw forward two companies of infantry, without knapsacks, on the double quick, who supported the cavalry and checked the furth-trouces her sprightly young palfrey, Spring Violet. Whe Whitby Family,

without knapsacks, on the double quick, why supported the envaly and checked the furth-er pursuit of the enemy. The action now became quite general be-tween the two forces, each seeming to be about the same strength. The Rebel division thus angaged was that of Anderson's, part of the same strength. about the same strength thus engaged was that of Anderson's, part of Reconstructive of Anderson's, part of Mr. Berry Whitby, as Equiostria, Manager, will present his choice stallion Hawk By e State, 'the atter bright of the By e State, 'the atter bright of the present his choice stallion 'Hawk By e State, 'the atter bright of the 'Duc Trow,' and the twin po-nice 'Apollo and Manager, 'the 'Duc Trow,'' and the twin po-nice 'Apollo and Manager, 'the 'Duc Trow,'' and the twin po-nice 'Apollo and Manager, '' Miss Elever, ' very vigorously, giving way only when pressed very hard. Another Assault Attempted.

At 4-30 P. M., Col. Divin, who had cavalry skirmishers on the plank road, reported the enemy advancing in force and driving in his prickets. He was soon discovered in deploy-ing to the right, and Gen. Slocum promptly met the move by sending in Geary's Division and Hampton's Battery. The attack proved to be only a feeler, however, and the mext thing was a development still further on cour right, which was again checkmated by Gen. Williams, who, with three batteries of artillery and his own Division, replied very effectively to the anemy's fire, which was sometimes very brisk but never heavy.

Beyond this it did not go except to occasion ally shell our extreme right, under General Howard, but the troops were very placid and the shells did no damage.

DESPERATE ATTEMPT TO CAPTURE TWO PENNSYLVANIA BATTERIES.

For a while there was a cessation of the desultory and spasmotic firing, which had been going on for two hours. But at half-past six a desperate charge was made for our batteries commanding the plank road. The Rebels advanced through the woods at a rapid pace, and got within point blank canister range of our guns. A column also came up the road wildly Geary met them with great promptness; a deadly volley was poured into their advance. At the same time Knapp and Hampton double-shotted their guns with canister, and for fifteen minutes there wrs another fiery episode.
