	 is soft, more ; if hard, less ; always taking the taste for the surest guide. 8. First working, after about twenty-four hours, is for the purpose of giving it greater compactness. 9. Second working takes place at the time of packing, and when the butter has dissolve the salt, that the brine may be worked out 10. Packing is done with the hands or with a butter mall; and when butter is put into wooden vessels, they should be soaked two or three days in strong brine before using. After each package, cover the butter with a we cloth and put a layer of salt upon it; in this way the salt can easily be removed at any time, by simply taking hold of the edges of the cloth. Butter made in this way will keep any length of time required.—<i>Genesee Farmer</i>. CORN GRIDDLE CAKES.—Turn three pints of scalding milk to one quart of meal and four tablespoonfuls of flour; when milk warm add four eggs and a little salt. Bake on a griddle. OLD MUSIC TO DE REVIVED.—Our agricultar ral friends everywhere are talking about raising flax, and a very large crop will be gathered the coming season. The country people don't mean to stand the long forgotter spinning, wheel. Its music will come intromostion with that of the long, forgotter spinning, wheel. Its music will come into competition with that of the pinno, and the young lady who cannot spin and is too ming "stuck up" to wear linsey woolsey, will far herself behind the times and the fashions. 	IIELMEOLD'S EXTRACT BUCHU Is the Great Discurctic, and it is certain to have the desired affect in discases for which it is recommended. Evidence of the most reliable and responsible character will accompany the medicines. Certificates of cures, from eight to twenty years standing, with names known to sience and fame. Price \$1 Per Bottle or Six for \$5. Delivered to any address, securely packed from observation. Describe symptoms in all Communications. Cures Guaranteed. Advise Gratis. Cartification of the distribution of the city of Philadelphia, H. T. Helmhold who being duly sworn doth say, that his preparations contain no narcotic, no mercury, or other injurious drags, but are purely vegetable. M. T.
