Your Hoofland's Gorman Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayers. Through the economing of captain to the Arry and tous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. lungs, and was for seventy-two days in the nospital. This was followed by great debility, heightened by an attack of dysentory. I was then removed from the White House, and sont to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time if have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force

morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under those circumstances: and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the droad Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below, Arch Street, advised me, as a forlorn hope, to try, your Bitters, and kindly procured a bottle.
