ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends n the army to the fact that 'Hoofland's tierman Biters' will care nine tenths of the diseates induced by exposures and privations incident to camp life. In the lists, published almost duily in the newspapers on the arrival of the sick, it will be noticed that a on the arrivat or one sies, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cared by Hoofland's German Bitters. "Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.
We call particular attention to the following re-

markable and well authenticaed cure of one of the nation's heroes, whose life, to use his own language, has been saved by Bitters." PHILADELPHIA, August 23rd, 1862 Messes Abertage.—Wall, ger tlemen, your floodland's German Litters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four-years, a momber of Sherman's celebrated battery, and under the immediate command of Captain & B. Ayers. Through the exposure attendant upon my ardungs duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital

This was followed by great debitity heightened by in attack of dyssentery. I was theor removed from the White House, and sent it this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as fow as any one shall be and still requiring a park of vitality. For week or more I was a searcely able to swallow anything, and if I did force, a more of down, its was same of the force of the state of the swallow anything, and if I did force, a more of down, its was same diately thrown up, again. agoin.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances: and, accordingly, the physicians who had been working faithfully, though unsuccessful to the agree of the decod Archivelet agree of the decod Archive. ly, to rescue me from the graps of the dread Archer, frunkly-told me they could do no more for me or, frankly-told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An nequaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time L.commenced taking them the gloomy shadow of death receded, and Lam now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and Lied, annguined being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months, for, gentlengen, I am a loyal Virginian, from the vicibity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taked the practy of Agus fears—to your Bitters will I owe the glarious privilege of again clasping to my besom those who are dearest to me in life.

Yery truly yours, 45AAC-MALONE. We fully concur in the truth of the above state-ment, as we had derpaired of receing our comrade, Mr. Malone, restored to hemita.
