ALL ABOUT THE NEGROES.

Colored Celebration at Norfolk—Reception of Negro Gentlemen at the President's Levee.

FORTRESS MONROE, Jan. 1.—The colored inhabitants of Norfolk and vicinity celebrated to-day the first anniversary of their freedom, as given them under the President's proclamation of one year ago. Four regiments of colored troops, under the command of Brig. Gen. E. A. Wild, took part in the exercises. There were present, as invited guests, Maj. Gen. B. F. Butler and staff, and Brig. Gens. Barnes, Gary, Ludlie and Hickman, with their respective staffs. The progression was marched and countermarched through all the principal streets of Norfolk, and upon arriving at the square fronting the cemetery, formed a hollow square, and speaking, music by the band and appropriate exercises were the order of the day.

WASHINGTON, Jan. 2.—Felix's *Chronicle* says: Three years ago, and a colored man presented himself at the White House at a President's levee, seeking an introduction to the Chief Magistrate of the nation, he would have been, in all probability, roughly handled for his impudence. Yesterday four colored men of genteel exterior and with the manner of gentlemen, joined in the throng that crowded the Executive Mansion, and were presented to the President of the United States.

REVENUE DECISION.—The commissioner of Internal Revenue has decided that manufactured articles upon which the three per cent. tax has been paid are subject, nevertheless, to be taxed as manufactures to their full value, if the second manufacturer has added 5 per cent. to the value of the articles of which it is composed.

COFFEE! COFFEE!!

The East India Coffee Co.,
174 Reade Street,

New York

CALL universal attention to their Kent's East India Coffee only 25 cents a pound.

Kent's East India Coffee

has all the flavor of Old Government Java, and is but half the price.

Kent's East India Coffee

has twice the strength of Java, or any other coffee whatever, and wherever used by our first class hotels and steamboats, the stewards say there is a saving of 50 per cent.

Kent's East India Coffee

is the most healthy beverage known, and is very nutritious The weak and infirm may use it at all times with impunity. The wife of the Rev. W. Eaves, local minister of the M. E. Church, Jersey city, who has not been able to use any coffee for fifteen years, can use

Kent's East India Coffee.

Dr. James Boyle, of 156 Chambers street, says: "I have never known any coffee so healthful, nutritious and free from all injurious qualities as

Kent's East India Coffee.

I advise my patients to drink it universally, even those to whom I have hitherto prohibited the use of coffee."

The Principal of the New York Eye Infirmary says: "I direct all the patients of our Institution to use exclusively

Kent's East India Coffee,

and would not be without it on any account."

The Rev. C. Larue, an eminent clergyman of the M. E. Church, now stationed at Hagley street, Newark, says of

Kent's East India Coffee:

H. SAXTON'S.

U. S. 5-20'S

THE Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "*General Subscription Agents*," are continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of dollars. *Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury*, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period, absorb the balance.—Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue, and in the issue of the Interest bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, *the Interest and Principal of which are payable in Gold.*

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

It is a Six per Cent Loan, the Interest and Principal payable in Coin, thus yielding over Nine per Cent. per annum at the present rate of premium on coin.

The Government requires all duties on imports to be paid in Coin: these duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum of three times greater than that required in the payment of the interest on all the 5 20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.

The Loan is called 5-20 from the fact that whilst the Bonds may run for 20 years yet the Government has a right to pay them off in Gold at par, at any time after five years.

The Interest is paid half yearly, viz: on the first days of November and May.

Subscribers can have Coupon Bonds, which are payable to bearer, and are $50, $100, $500, and $1000; or Registered Bonds of same denominations, and in addition, $5,000 and $10 000. For Banking purposes and for investments of Trust-monies the Registered Bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns or counties, and the Government tax on them is only one-and-a half per cent. on the amount of income, when the income of the holder exceeds Six Hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent tax on the income.

Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail, or otherwise promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

GODEY'S LADY'S BOOK

FOR 1864.

GREAT LITERARY AND PICTORIAL YEAR

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty four* years of a larger circulation than any in America, has made an arrangement with the most popular authoresses in this country—Marion Harland, *Author ess of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"* who will furnish stories for the Lady's Book for 1864. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other magazine. Our other favorite writers will all continue to furnish articles throughout the year.

The Best Lady's Magazine in the World, and the Cheapest.

The literature is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book. The music is all original, and would cost 25 cents (the price of the Book) in the music stores; but more of it is copyrighted, and cannot be obtained except in "Godey."

Our Steel Engravings.

All efforts to excel us in this have ceased, and we now stand alone in this department, giving, as we do, many more and much better engravings than are published in any other work. Godey's immense double sheet fashion plates, containing *from five to seven full length Colored Fashions on each plate. Other magazines give only two.* Far ahead of any fashions in Europe or America. The publication of these plates cost $10,000 more than Fashion plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on, Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines. Our Wood Engravings, of which we give twice or three times as many as any other magazine are often mistaken for steel. They are so far superior to any others.

Imitations.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

Drawing Lessons.

No other magazine gives them, and we have given enough to fill several large volumes. Our receipts are such as can be found nowhere else—Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

Ladies Work Table.

This department comprises engravings and descriptions of every article that a lady wears.
