GODEY'S LADY'S BOOK

FOR 1864.

GREAT LITERARY AND PICTORIAL YEAR!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-four* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—Marion Harland, *Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"* who will furnish stories for the Lady's Book for 1864. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other magazine. Our other favorite writers will all continue to furnish articles throughout the year.

The Best Lady's Magazine in the World, and the Cheapest.

The literature is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book. The Music is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

Our Steel Engravings.

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work. Godey's immense double sheet fashion-plates, containing *from five to seven full length Colored Fashions on each plate. Other magazines give only two.* Far ahead of any fashions in Europe or America. The publication of these plates cost $10,000 more than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on, Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines. Our Wood Engravings, of which we give twice or three times as many as any other magazine are often mistaken for steel. They are so far superior to any others.

Imitations.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

Drawing Lessons.

No other magazine gives them, and we have given enough to fill several large volumes. Our receipts are such as can be found nowhere else—Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilties for making it most perfect. This department alone is worth the price of the Book.

Ladies Work Table.

This department comprises engravings and descriptions of every article that a lady wears.

Model Cottages.

No other magazine has this department.

For all of which it is a speedy and certain remedy, and never fails. This Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

As an Alleviator of Pain, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, Rheumatic Disorders of every kind, and in thousands of cases where it has been used it has never been known to fail.

For Neuralgia, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of *Headache* in three minutes and is warranted to do it.

Toothache also will it cure instantly.

For Nervous Debility and General Lassitude arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revives the system, and restores it to elasticity and vigor.

For Piles.—As an external remedy, we claim that it is the *best* known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a *radical* cure.

Sprains are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days.

They work equally well upon silk, linen, woolen, and cotton goods,—seaming, quilting, gathering, hemming, felling, cording, and braiding—making a beautiful and perfect stitch, alike on both sides—and performing every species of sewing, except making button holes and stitching on buttons.

Full instructions for operating the Machine is given gratuitously, at the sales rooms. When the Machine is sent some distance, so that personal instruction is inconvenient, a card of direction is sent, which is a sufficient guide.

The qualities which recommend the Wheeler & Wilson Machine are—
