We call particular attention to the following remarkable and well authenticaed cure of one of the nation's heroes, whose life, to uze his own language, has been saved by Bitters."

THEADELPHIA, August 23rd, 1862 Mesers Jones & Ecuns.—Well, genflemen, your Hoofland's German Bitters has saved my life. Thore is no mittake in this: It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, amember of Sherman's celebrated battery, and under the immediate command of Cappain R. B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in flowen her last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I handed on the 28th of Jure. Since that time I have been about as low as Euy one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again. There is no mistake in this: 'It is vouched for by

entreely able to swellow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomech. Life could not last under those circumstances: and, accordingly, the physicians who had been working faithfully, though unsucceasfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me, to see a dergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bettle. From the time I commonoed taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguing of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months,: for, gentleinen, I am a loyal Virginian, from the vicinity of Front Moyal. To your invaluable Bitters I owe the certainty of life which has taked the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours,

ISAAC MALONE.
