good for MEN, WOMEN OR CHILDREN.

"INSANITY AND CONSUMPTION."
Many are aware of the cause of their suffering,
But none will confess.

The records of the Insane Asylums and the melan-
choly Deaths by Consumption bear ample witness
to the truth of the assertion.

**THE CONSTITUTION ONCE AF-
FECTED WITH ORGANIC
WEAKNESS,**
Requires the aid of Medicine to strengthen and
invigorate the system, which HELMHOLD'S EX-
TRACT BUCHU invariably does. A trial will
convince the most skeptical.

tract Buchu is unequalled by any other remedy, as
in Chlorosis or Retention, Irregularity, Painful-
ness, or Suppression of Customary Evacuations,
Ulcerated or Stripped State of the Uterus, Len-

deceived, and that the "poison" was by the use
of "powerful" cathartics, and that the "poison"
system, to break out in an aggravated disease,
and perhaps after Marriage.

TERMS REDUCED TO OLD PRICES!
GODEY'S LADY'S BOOK
FOR 1864.

GREAT LITERARY AND PICTORIAL YEAR!
The publisher of Godey's Lady's Book,
thankful to that public which has enabled him to
publish a magazine for the last thirty-four years
of larger circulation than any in America, has
made an arrangement with the most popular au-
thorities in this country—Marion Harland, Autho-
ress of "The Household," "The Ladies' Friend,"
"The Mirror," and "The Ladies' Magazine," &c.,
for the Lady's Book for 1864. This alone will
place the Lady's Book in a literary point of view
far ahead of any other magazine. Our other
writers will all continue to furnish articles
of the highest quality.

The literature is of that kind that can be read
alone in the family circle, and the clergy in im-
mense numbers are subscribers for the Book. The
Music is all original, and would cost 25 cents
if it were published in the music stores; but most
of it is copyrighted, and cannot be obtained ex-
cept in "Godey's."

All efforts to rival us in this have ceased, and
we now stand alone in this department, giving, as
before, many more and infinitely better engravings
than are published in any other magazine. Our
immense double sheet fashion-plates, containing
from five to seven full length Colored Engravings
of the latest styles, are sent only once. Far
ahead of any fashion-plates in Europe or America.
The publication of these plates cost \$10,000 more than
Fashion-plates of the old style, and nothing but
our wonderfully large circulation enables us to give
them. Other magazines cannot afford it. We
never spare money when the public can be ben-
efited.

These fashions may be relied on. Dresses may
be made after them, and the wearer will not sub-
ject herself to ridicule, as is the case if she
visits the large cities dressed after the style of
the plates given in some of our so-called fashion
magazines. Our Wood Engravings, of which we
give twice or three times as many as any other
magazine, are often mistaken for steel. They are
so far superior to any others.

Beware of them. Remember that the Lady's
Book is the original publication and the cheapest.
If you take Godey, you want no other magazine.
Everything that is useful or ornamental in a
house can be found in "Godey's."
