GOODEY'S LADY'S BOOK
FOR 1864.

The publisher of Goodey's Lady's Book, (thankful that public which has enabled him to publish a magazine for the last thirty-five years in this country, and which has become a household name in every family, has made an arrangement with the most popular author in this country—Marion Harland, author of "Alice's Adventures in Wonderland," "The Mad Hatter," "The Mouse and the Lion," "The Lion and the Mouse," "The Mouse and the Lion," who will furnish stories for the Lady's Book for 1864. This alone will place the Lady's Book in a more popular position than any other magazine. Our other favorite writers will all continue to furnish articles throughout the year.

The literature of that kind that can be read aloud in the family circle, and the elegy in immense numbers are subscribers for the Book. The price of the Book in the most stores, but must be sent by express to the publisher.

All efforts to rival us in this have ceased, and we stand alone in our department, as we do, many more and infinitely better engravings than are published in any other work. Goodey's Magazine is the most beautiful and interesting of all.

F. GARDNER & CO. now manufacture and keep constantly for sale, at their extensive Steam Works on East Main St., Carlisle, a large assortment of Agricultural Implements, of well known and approved usefulness to Farmers, among which we call especial attention to

Patent Gum Spring Grain Drill,
