ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERE.

We call attention of all having relations or friends in the army to the fact that 'Hoofland's German Forters' will care nine tenths of the diseates induced by exposures and privations incident to camp life. To the lists, published almost daily in the newspapers on the arrival of the sirk, it will be noticed that a very large agreement as a sufficient for the daily in the content of the sirk, it will be noticed that a very large transfer for the daily in the content of the sirk, it will be noticed that a very large transfer for the sirk of t on the arrival of the spirk, it will be noticed that wery large proportion are suffering from debiling Every case of that kind can be readily cured by Hoofand's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise

will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, thas been saved by Bitters." PHILADELPHIA, August 23rd, 1862

Mosses Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, brightened by an attack of dysentery. I was then renoved from This was followed by great debility, brightened by an attack of dysentery. I was then removed froin the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

ngain.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances: and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me; and advised me to see a clergyman, and to make er, frankly told me they could do no more for me; and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained tell pounds, and I feel sanguino of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months,: for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taked the place of vegue fears—to your which has taked the place of vague lears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours,
ISAAC MALONE. We fully concur in the truth of the above statement, as we had despaired of seeing our corirade; Mr. Malone, restored to health.
