The interest on the $30 and $100 Bonds is paya-
ble annually, on all other denominations seni-an-
unally. Subscribers are entitled to interest from
the date of their deposits with the Bank and
Bonds will bé delivered free of charge. The
annuth of subscription may be deposited in U S.
notes or National Bank notes; it is optional with
of Bonds (March 1st, 1561.) or to receive bonds
arawing interest from the date of the subscription
of deposits. If the latter are preferred, the date
from which interest will acerus if coupon bonds,
will be stamped upon the first coupon falling due
thereafter, and if registered bonds, such date will
e written in the body of the bond.

                                                                                                                                                                                                             Carlisle.
            UNIVERSAL CLOTHES WRINGER,
Wath ERSAL CLOTHES WRINGER,
We think the machine much more than pays for
indiferent year in the saving of gamment! We
consider it important that the Wringor be fitted
with Coge, otherwise a mass of gamments may
clog the collers, and the rollers upon the crank-
then sip and tear the clothes, or the rudder break
has lip as far. Our own is one of the first made,
contant use."
                                                                                                                                                                                                                          HOOP SKIRTS! HOOP SKIRTS!!
                                                                                                                                                                                                          JUST received direct from the manufactu-
                                                                                                                                                                                                   JUST received direct from the manufactu-
rer, J. W. Bradley, New York, a complete as-
sortment of the celebrated Duplex Elleptie (or
double) steel-spring SKIRTS, one of the best inven-
tions ever known in the make and style of skirts,
as they are made in all the different sizes and
shapes, the full regular size, the Quaker, the Demi
Quaker, and the La Petitt Quaker, oubracing 30,
40, 50, 60, 70, 80, 90 and 100 steel springs in each
skirt. Please call and she the newest and best
skirt ever brought before the public, at the new
and cheap store, on the south-east corner of the
public square, Carlisle.
April 28, 1801.

arr be convenient are a two-story L o if ho U s E and Log Baru. This farm is also in a good state of enl-tivation, having had a complete coat of time. There is running water on ulumdance on this farm. There is running water on ulumdance on this farm. Also, at the same time and place, a Ten Aere Lot of TLMBER LAND. This lot lies near the Conadeguinet creek and adjoins arm No. 2. It will be sold either separately or with the farm, as purchasers may desire. Also, two tracts of MOUNTAIN LAND, ont of which is in Millin Township, and contains 30 acres of fine Chestaut Timber, and the other in Frankford Township, contains 34 acres. Persons wishing to view any of the above property can do so by calling on the subscriber, at his is a late to commence at 12 o'clock, M., on said day, when attendance will be given and terms made by SAMUEL ROWMAN Later.

                                                                                                                                                                                                     There is no mistake in this. It is vouched for by
numbers of my comrades, some of whose numes
are appended, and who were fully cognizant of all
                                                                                                                                                                                                     the circumstances of my case. I and, and have
been for the last four-years, a member of Sheribah's
celebrated battery, and under the immediate
command of Captain R. B. Ayers. Through the
exposure attendant upon my ardaous editos, I was
attac' ed in November last with inflamation of the
lungs, and was for seventy-two days in the hospital.
This was followed by great debility, heightmod by
                                                                                                                                                                                                   lungs, and was for seventy-two days in the hospifal.
This was followed by great debility, heightened by
an athect of dysontery. I was then removed from
the White House, and sent to this city on board
the Steamer "State of Maine," from which I fand-
ed on the 23th of June. Since that time I have
abeen about as low as any one could be and still re-
tain a spark of villity. For a week or more I was
scarcely able to swallow anything, and if I did force,
a more down.
                                                                                                                                                                                                          morsel down, it was immediately thrown up
                                                                                                                                                                                                          igain.
                                                                                                                                                                                                        again.
I could not even keep a glass of water on my
stomach. Life could not last under these circum-
stances: and, accordingly, the physicians whe
had been working faithfully, though unsuccessful-

                                                                           SAMUEL BOWMAN, Jr.,
                              Administrator of Jacob Bowman, dee'd.
April 7, 18) —t s.
     1 \cdot 93
                                                                                                                                                                                             had been working faithfully, though unsuccessful-
ly, to resome me from the grasp of the dread Arch-
er, frankly told mo they could do no more for me-
and advised me to see a clergyman, and to make
such disposition of my limited funds as best suited
me. An acquaintance who visited me aishe-hospi-
tal. Mr. Frederick Steinbron, of Sixth helow Arch
e Street, advised me, as a forforn hope, to try your
Bitters, and kindly procured a bottle. From the
time 1 consumed taking them the gloomy shadow,
of death recedied, and I am now, thank God for it,
getting better. Though I have taken but two bot-
tles, I halo gained ten pounds, and I feel sanguino
of being permitted to rejoin my wife and
daughter, from whom I have heard nothing for
eighteen months, : for, gentlemen, I am a loyal
Virginian, from the vicinity of Front Royal. To
your invaluable Bitters I owe the certainty of life-
which hav taked the place of vague fears—to your
Bitters will I owe the glorious privilege of again
clasping to my bosen these who are dearcest to me in
life.
