This class of Bitters has caused and will continue to cause, as long as they can be seld, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

ATTENTION, SOLDIERS! -AND THE FRIENDS OF SOLDIERS.

We call attention of all having relations or friends in the army to the fact that 'Iloudand's Gorman Bit-ters' will cure nine tenths of the diseates induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are specifily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise

We call particular attention to the following remarkable and well authonticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved, by Bitters."

PHILADELPHIA. August 23rd, 1862 Hoofland's German Bitters has saved my life.

There is no mistake in this. It is vouchel for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Shamuri been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflamation of the lungs of the large way are for exposure to the last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landthe Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up

a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances: and, accordingly, the physicians whe had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who risited me at the bosniand advised me to see a ciergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ton pounds, and I reel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months, ": for, gentlemen, I am a loyal Virginian, froin the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taked the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above state ment, as we had despaired of seeing our comrade Mr. Malone, restored to health.
