## ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call attention of all baving relations or friend in the army to the fact that 'Hoofland's German Bit-ters' will cure nine tenths of the diseates induced by exposures and privations incident to camp life. I exposures and privations incident to camp life. In the lists, published almost daily in the newspapers on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hooftand's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no besitation in stating that, if these Bitters were freely used among our soldiers hundreds of lives might be saved that otherwise

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by Bitters."

PHILADELPHIA, Augus' 23rd, 1862 Hesses Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's colebrated battery, and under the is meaning conded silk belting, &c.

Striped Mobair, Striped Reps, Striped Poplin, Gros. de Berlin, Terine Cloth, Parametto Coburg, Black Coburg, Black Coburg, Mourning corded silk, Poilt de Sois, black silkaek silk, a large assortment of crape collars, black alpacas, black belting, &c.

We have but One Price to every one in always marked on each sample package at our store in plain figures. We issue a Monthly Price List of our Teas, which will be sent free to all who order it—we advise every Tea Seller to see it. It comprises a full assortment selected for every locality in the States. Provinces, South America and the West Indies.—In this list each kind is divided into Four Classes or Qualities, namely: Cargo, High Cargo, Fine, land long wool shawls, black Thibet, Mous de Finest, that every one may understand from de hungs, and was for seventy-two days in the hospital. This was followed by great debility, loightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up

again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances: and, accordingly, the objections whe had been working faithfully, though unsuccessful the country of the draud Arch. etances: and, accordingly, the physicians whe had been working faithfully, ffforgh unsuccessfully, to rescue me from the grasp of the dread Archet, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months,: for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taked the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in clasping to my bosom those who are dearest to me in

Very truly yours,
