

French Breakfast and Dinner COFFEE.
Owing to the very high price of Coffee, and the great difficulty in procuring a good, uniform and reliable article our customers have often expressed a wish that they could be supplied from first hands. It was the intention of the

THE GREAT AMERICAN TEA CO.
to do a strictly tea business, but as we have had some customers living at a distance that have relied upon us to supply them exclusively with Tea and Coffee, it being convenient for them to come to New York, The Great Tea and Coffee Exporter of this country—and as our Tea Exporter was possible to furnish at a moderate price, and give universal satisfaction, and at the same time compelled to supply those parties. THIS OFFICE HAS BECOME SO POPULAR WITH OUR CUSTOMERS AND THEIR SALES HAVE INCREASED TO SUCH AN EXTENT THAT WE HAVE BEEN COMPELLED TO MAINTAIN TO supply a few more customers with it. We will therefore send it to those who may order.

It is Fast Superseding all other Coffees.
This coffee has been used for more than a century in Paris and since its introduction into this country it has been in use by some of the leading French Restaurants here. The Parisians are said to be the best judges of coffee, and in more than one instance in which it has been tried it has won the commendation that can be produced for its fine flavor and healthy effects. It is superior to all other coffees in quality that our customers have found from experience will give perfect satisfaction and all the demands of the market. It is the lowest price that we can recommend.
